## ESCAPED BURGLARY SUSPECT CAPTURED

While U.N. Officials Negotiate With Castro

### U.S. Agrees To Temporarily Lift Arms Blockade of Cuba

WASHINGTON (AP)—The United States temporarily lifted its arms blockade of Cuba today while U.N. officials prepared to undertake delicate Havana negotiations with Fidel Castro on dismantling Soviet missile bases in Cuba.

U.S. officials awaited analysis of new reconnaissance photos that may tell whether Soviet technicians have started pulling down those bases which almost brought on American military action.

The Navy's ships and planes suspended the six-day-old blockade for two days as dawn broke across the wide area they are patrolling in the Atlantic around Communist Cuba.

The blockading force remained on station, ready to resume the quarantine if ordered to do so.

The White House announced the suspension Monday night and said it was being done at the request of U.N. Acting Secretary-General U Thant. The U.N. official heads for Havana for talks with Fidel Castro on proposed U.N. supervision of the missile removal as

agreed to by Soviet Premier Khrushchev.

As a practical matter, the lifting of the quarantine for the time being means little. No Soviet ships were reported near the quarantine zone, and the Defense

**BULLETIN**  
WASHINGTON (AP)—The United States aerial surveillance of Cuba, as well as its arms blockade, has been stopped for the two days during which acting U.N. Secretary U Thant is conferring in Havana.

Arthur Sylvester, assistant secretary of defense, announced at a Pentagon briefing shortly before noon the temporary suspension of the aerial surveillance. The blockade had been suspended at dawn.

Department indicated that all those suspected of bearing offensive weapons to Cuba had already disappeared from the scene.

Informed government sources reported Monday night that U.S. destroyers and aircraft had detected and trailed more than two

Soviet submarines for about two days last week in the quarantine area.

The Soviet craft were trailed until they surfaced and recharged their batteries, then went their way without incident, the sources said. The Soviet subs were traveling separately, informants indicated.

With a Soviet fleet of some 400 submarines roaming the world's seas, it is not unusual for American naval units to make contact with them, particularly in Atlantic waters off the U.S. East Coast.

By all the signs, the U.S. action has been fully successful in choking off the flow of any more Soviet missiles, bombers or other offensive weapons into Castro's Cuba.

The Pentagon's expert photo interpreters were expected to finish studying pictures taken Monday in surveillance flights over Cuba.

These flights were intended to gather photographic evidence of

### Truck-Train Wreck Leaves 2 Persons Dead

30 Others Injured  
In California Crash;  
Four Cars Derailed

ANAHEIM, Calif. (AP)—Two persons died and more than 30 others were injured when a gravel truck rammed the center of a speeding train, spewing rocks and flames over screaming passengers in the coaches.

The impact broke the train in two. One car careened wildly into a trestle and a steel I-beam from the bridge railing speared into the coach.

Four cars of the seven-car San Diego, a Santa Fe train bound for San Diego, were derailed in the wreck Monday. The truck driver was burned to death. A train passenger was the other fatality.

Twenty-nine passengers were hospitalized, many with broken legs. Several others were treated at the scene and released, unidentified.

The passenger who died was a Navy recruit seated at the spot where the truck struck.

When it hit seats toppled, passengers flew through the air and rocks the size of golf balls from the truck's load rained down on them.

"The front of the car just peeled right back like a piece of paper being rolled back and big hunks of gravel came flying in," a passenger, Army Pfc. Melvin Best, 19, said afterward. "One guy started yelling, 'goodbye' to his buddies."

The train was traveling about 65 miles an hour when the accident occurred, C. R. Robertson, assistant general manager of Santa Fe, said.

Police identified the dead truck driver as Edward White, 43, Anaheim.

The dead passenger, whose leg was severed in the crash, was Larry Joseph Davis 21, Cedar Rapids, Iowa. He died in surgery at Orange County General Hospital.

"Two cars were pretty well mangled; it was a hell of a mess," said Eugene Miller, Orange County deputy coroner.

The accident occurred three miles from the famed Disneyland amusement park and 25 miles southeast of Los Angeles.

The train, from Los Angeles, carried about 100 passengers, many of them servicemen.

**"Trick or Treating" Permitted Tonight**  
Halloween "trick or treating" will be permitted in Salem this evening as well as Wednesday evening, Mayor Dean B. Cranmer said today.

Although it was originally decided that Halloweening would be allowed only one night here this year, the mayor said today an extra evening of "trick or treating" is being permitted to enable children who wish to participate in or view the Halloween parade on Wednesday evening to do so and still have an opportunity to "trick or treat."

The mayor said another reason for permitting Halloweening an extra night is the fact that a number of Salem churches schedule services on Wednesday evening.

U.S. Would Pay Half of Cost

### Mayor Seeks Park, Sidewalk Projects

At the next regular City Council session Nov. 13, Mayor Dean B. Cranmer will ask Council to consider a city sidewalk improvement program for which the federal government will defray 50 per cent of the cost.

The mayor also will go before the next meeting of the Park Commission Nov. 17 to ask the commission to consider the possibility of matching federally granted funds to improve Memorial Park.

The mayor said: "Sidewalks all over town are in need of improvement. Also, additional land recently donated to Memorial Park needs to be leveled and cleared and put into park shape. I'd like Salem to benefit by the Housing and Home Finance Agency's offer to pay half of the cost of public works."

A recent letter from John P. McCollum of Chicago, regional administrator of the federal agency, told the mayor: "We will accord priority to projects where it can be demonstrated that construction will begin within 120 days after filing of the application, and that a substantial portion of the project can be completed within 12 months after initiation."

The purpose of this program is to stimulate an immediate increase in construction of essential public works and thereby directly increase local employment and stimulate the local economy."

The mayor said that at least 40 per cent of the persons hired to work on the projects must be taken from the ranks of the unemployed.

Mayor Cranmer has secured two application forms from the federal agency which he says he will fill out immediately and forward to Chicago upon receiving approval of the City Council and Park Commission.

**Woman Injured In Road Crash**  
A Wisconsin woman suffered chest injuries in a two-car accident involving a Columbiana housewife Monday at 6:20 p.m. about two miles north of North Lima.

Mrs. Mary White of Wauwatosa, Wis., was taken by a state highway patrolman from the Canfield post to a North Lima physician who examined and released the woman.

A passenger in one of the autos, she was to be X-rayed today at South Side Hospital in Youngstown to determine the extent of her injuries.

The patrol said Mrs. Hazel Crawford, 64, of 361 N. Elm St., Columbiana, was driving south toward North Lima when a northbound auto operated by Mrs. Kathryn Winter, 67, also of Wauwatosa, attempted to make a left turn into a private drive off Route 7 near the turnpike. Mrs. Crawford's auto struck the right rear of the Wisconsin car, but only Mrs. White, riding in the out-of-state vehicle, was injured.

Mrs. Winter was cited for failing to signal a turn.

### Mississippi U. Students Riot

Throw Firecrackers  
At Meredith's Dorm

OXFORD, Miss. (AP)—University of Mississippi students bombed the dormitory of James H. Meredith with firecrackers into the wee hours today. It was the most serious incident since the bloody rioting when the 29-year-old Negro enrolled four weeks ago.

The Army alerted an extra platoon of white-helmeted military police but did not use them.

Student leaders, faculty members and Army officers attributed the explosive campus feeling to Mississippi's coming football game with Louisiana State.

No arrests were made, but the MPs chased students away from Baxter Hall, the ivy-coated dormitory where Meredith has a two-room apartment.

About 200 students peppered the walls of Baxter Hall with cherry bombs—small firecrackers which make a tremendous noise. Some were hurled by sling shots.

Student affairs Dean L. L. Love continually appealed to students to disperse and by 2 a.m. the campus was quiet.

"They're taking their feelings out about the football game on Meredith," said one student leader.

The university's football team—undefeated this season—goes to Baton Rouge Saturday night to play LSU. The intense rivalry between the schools, both perennial national football powers, has made the contest a national classic in recent years.

Monday night's incidents started while Meredith was dining in the campus cafeteria. One cherry bomb was thrown into an MP jeep, scattering three soldiers.

A barrage of firecrackers continued through the night.

Both Sides Send Reinforcements

### Red Chinese Pause In Frontier Attack

NEW DELHI, India (AP)—Chinese Communist drives at each end of India's northeast frontier paused today while both sides poured in reinforcements. Big battles appeared to be shaping up near the Buddhist monastery town of Towang and at Walong, 250 miles to the east near the Burma border.

Strong Indian forces were being rushed to the 2½-mile-high Se

Pass to try to blunt a Chinese threat to the thickly populated Assam plains. Informed sources said the Indians recaptured Jang, four miles east of Chinese-held Towang, which put them in a better position for defense of Assam.

Near the Burmese border, the Chinese were reported still on the outskirts of Walong.

On the Ladakh front, 1,000 miles to the west, the Indian government acknowledged the fall of Demchok and nearby Jara Pass to the Chinese Saturday.

A government spokesman said it was by and large untrue that Indian troops fighting in 3-mile altitude on the Ladakh front were inadequately clothed against winter. The government conceded that the troops there and elsewhere lack sufficient rapid-fire weapons to repel the Chinese attacks.

Responding quickly to an Indian plea for assistance, the United States is expected to start sending modern infantry weapons by the end of this week.

New demands arose for the resignation of Defense Minister V.K. Krishna Menon, blamed by critics for the inadequacy of the military equipment with which the Indian army faced the first Chinese onslaughts in the 10-day-old border war.

A year ago, Menon blocked efforts by top generals to turn to the United States for weapons.

Opposition to Menon is becoming so strong within the ruling Congress party that some observers think Prime Minister Nehru may have to fire his closest associate. So far, Nehru has pushed Menon into the background and taken over most of his duties.

### Patrolmen Nab Daniel Leyman On E. State St.

Fugitive Had Eluded Mahoning Deputies Earlier at His Home

Daniel Leyman, 28, of RD 4, Salem, who escaped from officers of the Mahoning County sheriff's office Monday afternoon, is in jail here after being recaptured about 5:30 a.m. today by Salem police.

The unarmed suspect, being held for burglaries in Columbiana and Mahoning Counties, surrendered quietly when three Salem policemen trapped him in the vicinity of the Old Reliable Drive-In at 1892 E. State St.

Leyman late yesterday afternoon eluded Mahoning deputies who had taken him to his home where, he told them, he had hidden a gun.

The Salem man, who was to have been arraigned this morning in Mahoning County Common Pleas Court in Youngstown on two Mahoning burglary counts, had been in jail in Youngstown since last Wednesday when he gave himself up to Ohio Highway patrolmen of the Canfield barracks.

Yesterday afternoon, Mahoning officers, in an effort to recover some stolen guns and ammunition which Leyman said he had hidden in a woods, accompanied the prisoner to the spot.

**Guns, Ammunition Recovered**  
Guns, ammunition and numerous cartons of cigarettes had been placed in two gunny sacks by Leyman before his arrest last week and were cached under leaves in the woods about 400 feet from his home on Western Reserve Road.

After showing the officers the loot, Leyman expressed a wish to see his parents. He also told the officers about another gun under his bed at his home.

The officers accompanied Leyman to his home and unshackled him "in an effort to be humane," they said. Leyman was showing the officers where the weapon was hidden in his room when he suddenly made a dash for the window, leaped out and ran into the woods.

**Informed Of Escape**  
About 8:30 p.m. Monday, Salem police were informed by the Mahoning County sheriff's office of Leyman's escape, and local police cruisers covered Salem repeatedly throughout the night in search of the suspect.

At 5:30 a.m. today, Lt. Robert W. Kirchgessner was driving a cruiser west on E. State St. when he saw the other Salem cruiser circling the Old Reliable Drive-In. Pulling up to the restaurant, Lt. Kirchgessner was told via radio by Patrolman Richard Whinnery, who was with Patrolman Don Bradley in the other cruiser, "Go to the other side."

Leyman who had parked a stolen truck in the rear of the inn and was about to enter the all-night eating place, had been spotted by Whinnery and Bradley only moments before Kirchgessner arrived.

**Surrendered Quietly**  
Leyman made an attempt to return to the parked truck, but surrendered quietly when he saw the

## So U.S. Not Openly Embarrassing Nikita

## Khrushchev's Successor May Be Worse

By JAMES MARLOW  
Associated Press News Analyst  
WASHINGTON (AP)—The absence of public gloating by the Kennedy administration over Premier Khrushchev's retreat on Cuba is understandable. There could be worse than Khrushchev.

There are also two other good reasons for something less than wild rejoicing: Khrushchev still

has to make good on his promise to pull his missiles out of Cuba; and the trouble with Fidel Castro hasn't been settled at all.

If right now there is Kremlin conflict over the Soviet blunder and embarrassment in Cuba, open glee by American officials might be enough to tip the scales in favor of Khrushchev's tougher-

line opponents and thus wreck him.

Over the years he has made noise, been a pain in the neck, and often been dangerous. But because he was more human and flexible than Stalin, he was an improvement on the old tyrant.

For example: When Stalin got the notion to drive the Allies out of Berlin, he blockaded the city.

This eventually failed, but it could have meant war. Khrushchev wants to seal off Berlin, too, but he has stalled for four years in trying it.

If Khrushchev should lose out now in a power struggle because of his backdown in Cuba, it seems certain his successor would be a hard-nosed Communist more like Stalin than Khrushchev.

It was sheer clumsiness for the Soviet Union to put missiles in Cuba and not be prepared for something more impressive than a complete cave-in if the United States forced a showdown, as it did.

That there is conflict in the Kremlin over this blunder seems likely. Obvious confusion and indecision showed up in the contradictory messages Khrushchev sent President Kennedy before finally giving in.

Just because an internal Soviet leadership struggle may be going on now, Khrushchev's promise to take his missiles back home can't be accepted as fact until he actually does it. This is sufficient reason for the Kennedy administration to keep its fingers crossed until the missiles are gone.

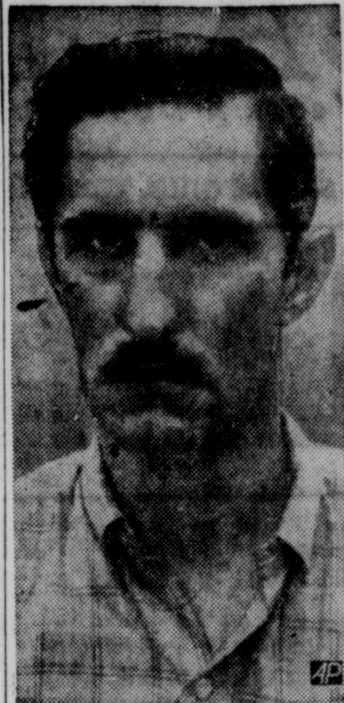

Khrushchev has handled Castro in all this as if he were a nobody. Yet, just because the Soviet Union has been his main source of supplies and his only real hope of survival, Castro can hardly afford a break with Khrushchev.

The Russian made no promises to keep Castro quiet. And Castro hasn't been. So long as he bosses Cuba he will be a menace to the rest of the Latin American countries through the internal trouble he can create for them.

While Kennedy promised—if the missiles were withdrawn—that the United States would not invade Cuba, this did not say this country and other American republics would not work for his downfall.

Their problem is how, without a direct American invasion. Yet, they can't sit idly by while Castro, through his agents and local Communists, tries to wreck one Latin American country after another.

Since Castro couldn't survive without Soviet supplies—for instance, oil—then any subversion he attempts against his neighbors must be considered Soviet subver-

sion as much as it is Castro's. Therefore the withdrawal of the Soviet missiles, instead of being the end of a chapter, was like a printer's error in a story only partly written and far from finished.

## Mrs. Roosevelt 'Holding Her Own'

NEW YORK (AP)—A family spokesman said Monday that Mrs. Franklin D. Roosevelt was "holding her own" but still seriously ill.

Mrs. Roosevelt, 78, suffering anemia and a lung infection, was taken home from a hospital 12 days ago. Only members of her immediate family are allowed to visit her.

## Warren Woman Killed In Crash

PEUBLO, Colo. (AP) — Mrs. Nancy Thous, 69, of Warren, Ohio, died in a hospital Monday of injuries suffered in a highway accident.

A car driven by her husband, Carl, 66, went off U.S. 85-87 and struck a series of guard posts one mile north of here last Tuesday.

Mrs. Thous suffered a broken shoulder, ribs and pelvis. Her husband was not injured.

## Winona Firemen Extinguish Blaze

Captain Harold Sidwell and five members of the Winona - Butler Volunteer Fire Department answered a call to the trailer of Mrs. Betty Sturgell just west of Route 9 on the Winona - Bridgewater Road, at 12:25 p.m. Monday, where they extinguished a fire in a davenport.

The blaze occurred when Mrs. Sturgell's small son placed a lighted lamp on the davenport and covered it with a cushion. Resulting damage amounted to about \$50.

## FINED IN E. PALESTINE

EAST PALESTINE — Charles Parker of Unity was fined \$25 and costs and given a 60-day suspended jail sentence by County Judge Herbert Arfman Monday on a charge of assault and battery filed by his wife, Iva.

Frank F. Lewis, Rogers, was fined \$20 and costs for reckless operation. Half of the fine was suspended providing he attend the showing of the next traffic safety film Nov. 29.

## TWO FORFEIT BONDS

LISBON — Two motorists each forfeited a \$15 bond when they failed to appear Monday for hearings in County Judge James L. MacDonald's court.

They are Robert B. Patterson, 24, Mentor, and Victor L. Baer, 18, Washington, Pa.

More than 100,000 persons have been buried in Arlington National Cemetery since 1864 and, at the present rate of burials, it has been estimated that the cemetery's 420 acres will be completely filled by 1970.

## Back Door Escape Made by Politics

FARMINGTON, Mich. (AP)—Politics made a back-door escape from a political dilemma here.

City clerk Trena Quinn received instructions that no political signs may be displayed within 100 feet of a polling place and no one may campaign within 100 feet of a polling place.

Measurements were made by a city worker and Mrs. Quinn found the front door of the Democratic club lay within 100 feet of City Hall—a polling place. So did the front windows, plastered with campaign signs.

Prosecutor George Taylor ruled that the signs must go and that the Democrats must keep their campaigning outside the 100-foot mark.

The party agreed to use the back door to the club.

## Taft For Congressman-At-Large

Never in our memory has the choice between two candidates for public office been so clear-cut as the race for Ohio's new congressman-at-large.

We rank Robert Taft Jr., the Republican nominee, so far above his Democratic opponent, Richard D. Kennedy, that anything but a resounding victory for the son of the late senator would be a reflection on the judgment of Ohio voters.

Robert Taft Jr.

Four terms as a state representative from Cincinnati and one as Ohio House majority floor leader give Mr. Taft an imposing advantage in legislative experience.

Mr. Kennedy never has held public office. In the late '50s, he made unsuccessful bids to become mayor of Cleveland and state senator from Cuyahoga County. His victory in the May primaries is attributed largely to his surname, which was rocketed into national prominence in the presidential election of 1960.

He was one in a field of 11 Democrats and received only 21 per cent of the total vote. In his home area of Cuyahoga County, which presumably should know him best, he got only 16 per cent of the vote and ran a poor third.

Some indication of the fate that awaits Mr. Kennedy in the Nov. 6 election is the coolness his own party has shown for him. In fact, shortly after his nomination there was talk that Democrats would try to get him out of the race. And at the state Democratic convention he was denied party support or mention.

In sharp contrast, Bob Taft has inherited the family legacy of public service, and in his own right is a capable, experienced, conscientious, mature legislator well able to walk in the footsteps of his late and great father.

He deserves your support and your vote.

By DAVID LAWRENCE

Is everything being done that can be done to prevent a third world war? As of today, a negative answer must be given. For

there is a glaring deficiency — a failure of the voice of the 200 million people of the Soviet Union who alone can determine whether their autocratic government shall stay in power.

Sabers can be rattled readily by both sides. American warships

David Lawrence

can be ordered to blockade Soviet shipments of arms to Cuba. Diplomatic notes with cryptic or subtle phrases of deception can be sent to the Soviet people have not been getting and are not now getting the truth.

It is not a lack of means. The United States government is spending billions to try to reach the moon, but very little is being spent to win the help of the Soviet people in restraining the government in Moscow from plunging the world into a nuclear war.

The United States, to be equipped with the latest mechanical devices which can broadcast messages of great length into all the countries of the world

in various languages.

Then what's lacking? It is a policy of positiveness and frankness that would, day after day, tell the peoples of the Communist-bloc countries how they can liberate themselves from the yoke of one-man rule and one-party government which today constitutes the biggest menace to world peace.

But, it will be asked, doesn't the United States government issue "propaganda" through the Voice of America and other agencies of international publicity?

THE ANSWER is that the messages sent out daily are so restrained in tone as to give the

impression of a fear to speak out forthrightly and explicitly to the people of the Soviet Union.

The broadcasts are confined largely to reading over the air condensations of news dispatches and extracts from speeches and official statements. The official pronouncements, moreover, are couched in polite phrases and make no direct appeal.

The White House and State Department under this and preceding administrations have ordered a policy of forbearance. Occasionally, there is emphasis and bluntness. Every now and then there is a presidential statement words but there's no exhortation — no appeal to the Soviet

people themselves.

The messages do not convey to the people behind the Iron Curtain the basic fact that peace cannot be assured in the world either for them or for any other nation until the Communist tyranny and dictatorship is removed and peoples are free to conduct their own elections and choose their own rulers — as in a republic.

The Soviet government ironically calls its constituent provinces "republics" and misuses the word "democracy" again and again, but the rest of the world makes relatively little effort to overcome the effects of such deceptive tactics. Free governments do not speak out on, except in a most abstract way.

THE SOVIET PEOPLE have been told repeatedly by a controlled press, radio and TV that the United States and its Western allies are indeed aggressors.

The charge has been reiterated constantly that America plans the destruction of the people of the Soviet Union by nuclear bombs direct from missile bases in Europe. Even inside this country there are many uninformed persons who don't see the difference between Western bases erected in Turkey for defensive and deterrent purposes and missile bases built by Khrushchev in Cuba for what he chooses to call "defensive" purposes.

Many citizens in this country do not know why the Western missile bases were originally set up in Turkey, nor do they know of the Soviet threats of missile attack that preceded this countermove by the West.

Sure, it was printed in the newspapers at the time it happened in 1958 and was announced to the world. It wasn't done secretly. But there's been little or no mention of it since then nor any overall broadcast to the Soviet people repeated day in and day out to characterize the offensive nature of the Kremlin's tactics throughout Europe, Asia, and Latin America, as well as Africa.

This has made defensive measures necessary and has built up the armament costs of every one of the free nations.

NO GOVERNMENT in the West has called on the Soviet peoples directly to liberate themselves from the yoke of the dictatorship government in Moscow. No promises of financial and economic aid have been made to these very people who have been deprived of the benefits of a decent standard of living. Repeated broadcasts of this kind would be heard by a few people at first, and then would spread later by word of mouth—which is still the most effective means of mass communication known to the world today.

Is a revolution inside the Soviet Union possible? This question is often asked. Three times in the last 50 years people throughout the world were convinced that a revolution to overthrow any strong dictatorship in Europe was not even remotely possible.

Few persons, for instance, who read of the tight hold on the Russian people by the czarist regime ever believed it could be or would be overthrown as it was in 1917.

Few people ever believed that the Kaiser or Hitler could be deposed or that disintegration of their authority and power could come from within. But when once the truth reaches the Soviet people, they too will take concerted action, and the personnel of the Soviet army, navy and air force will desert the dictatorship en masse as was done in the three instances mentioned above.

The concerted will of the people sometimes is slow to manifest itself, but, when it does, everybody joins the revolution for freedom. In this case, it will spread throughout the Communist-bloc countries as well.

Regarding your editorial, "Rhodes for Governor," I recall your editorial of some time ago, "DiSalle Lays it on the Line," and I quote: "Until some future Ohio governor makes a clearer presentation of the state's budget problem, Michael V. I commend the Salem News on the DiSalle editorial for giving credit where credit is due. Mrs. Frances Hannay, 563 W. School St.

After listening to Mr. Rhodes and reading various newspaper articles, I fail to see how he has made it clear to the people on his solution to the state's budget problem.

"I'm Getting Fed Up With This Middle East Turmoil"

## U. S. Communist Party

By VICTOR RIESEL

Strategists of the Communist party, U.S.A., are attempting to block the blockade of the island Soviet state this nation of ours considers an enemy land.

Yes, there is an American Communist party, despite demurrers and considerable cheating in some circles over the thought that such a Soviet agency exists.

During some 10,000 miles of travel in recent weeks, and through the investment of considerable leg work and the collection of the most solid documentary evidence, I can vouch that there is a virile Communist movement in this country.

It is up to its ears in meetings. It distributes films in defense of the enemy. It fills large hotel ballrooms, famed landmark meeting halls.

It runs song festivals, bazaars, Marxist schools, fairs, bargain basements, concerts, open air theaters on big city streets, mass picnics, and even imports speakers from Europe at considerable expense.

IN POSITIVE violation of a new law, it is expanding its membership, now at 10,000.

This figure includes FBI infiltrators, of course. But not 1,500 such agents. Not half that many. This means the Communist party, U.S.A., operating on what must be a million-dollar budget, still has a membership of well over 9,000.

They are hard-core, disciplined members. They are part of a totalitarian movement which is startling many labor leaders and many of the security officers of the 3,000 classified defense plants in this land.

If this were a totalitarian network of fascism of other hues there would be horrified outcries. Why not over the Communist party?

Its actual base of operations, for the moment, is somewhere on the West Coast. It is from that cell that party members were alerted by special courier, by letters dispatched to what we call "drops" (innocent addresses), and by special bulletin, to block the blockade.

Cadres of the party's 21 regions were handed a five-point pro-Cuban program. It is a fact of life that these 9,000 members controlling several hundred organizations — including 40 new ones — can stir considerable noise. At least one of these units has picketed the White House. All of them are again "on the march."

THEY HAVE BEGUN, in the past few days, "implementing" the program to:

1. Urge that all military bases in the United States be dismantled.

2. Denounce the President for not telling the "truth" about Cuba — as a peaceful land.

3. Charge the President with

yielding to the ultra right and big business.

4. Deluge the President and Congress with telegrams and letters denouncing our blockade action on the high seas.

5. Launch on the streets of the big cities, in the plants, in the colleges and in all infiltrated groups, whether Communist controlled or merely vulnerable to soft talk, a vigorous campaign to preserve peace.

Of course, I do not insinuate here that all peace groups are infiltrated. Many are anti-Communist. I merely report to you that there is documentary evidence of the Communist party's five-point directive.

It is the order of the American Communist presidium which is in direct and regular contact with special sections of the Soviet and Peiping governments — the latter having only recently dispatched its warm support from Communist China to the Communist party, U.S.A.

Yet, despite this Communist support of enemy lands, the Communist party operates freely throughout the land. The government is not interfering with its political rights.

THE PARTY has full freedom and so much due process that it will doubtless finally be judged by some future Supreme Court whose members are now just about entering law school.

The party, for example, owes the Treasury Department more than \$326,000 in back taxes. But

When the child misbehaves, send her to her room—but first remove that color TV, the doll house, and yes — the telephone. Then let "the charmer" sit there till her freckles fall off.

Cites Tax Saving If voters approve the county commissioners' tax levy Nov. 6 for repair and maintenance of our County Home, us taxpayers are going to foot the entire bill.

If we could do like they did in Mahoning County and build a new infirmary, the state and federal government will share in the expense and save us taxpayers about \$800,000.

Bouquet for Police When I came to work Saturday morning I found a note in my barbershop from Patrolman Filler of the police department reporting that he had discovered the rear door unlocked, checked inside, found everything OK, and then locked the door.

I think we should compliment our policemen for the little services they perform every day and which we all take for granted.

First solve the grandparent problem. Tell them if they send your overindulged daughter another gift which has not been approved by you in advance, it will be returned.

# Lisbon Social

By ETTA MAE ALEXANDER

Twenty-five members were present Thursday evening at the meeting of the Daughters of America, with councilor Mrs. Kathy Bush in charge.

It was announced that the district meeting of the lodge will be Nov. 14 at East Liverpool. Members of the council were asked to attend practice Thursday evening.

Five hundred and social games were played. Mrs. Ross Carnes, Mrs. Virginia Williams, Mrs. Helen Harrison, and Mrs. Lydia Bennett were awarded the prizes. Mrs. Bennett also received the attendance prize.

Hostesses for the evening were Mrs. Mary Hoy, Mrs. Annie Rueff and Mrs. Velva Hively. Mrs. Sarah Holshue and Mrs. Elsie Pete were the honorees of the birthday cake for the month of October.

The November social committee will be Mrs. Virginia Williams, Mrs. Elizabeth Polite, Mrs. Elva Fife and Mrs. Florence Stacey.

**EIGHT TEACHERS.** Of the First Christian Church Sunday School, representing the kindergarten, primary and junior department, attended a District 7 workshop at Carrollton Sunday.

Attending were Mrs. Naomi Mattix, Mrs. Eugene Wise, Mrs. Bruce Kessler, Mrs. Paul Eells, Mrs. Frank Randolph, Mrs. Richard Mason and Miss Meretta Ikert.

Lisbon children will canvass the community tonight on behalf of the UNICEF. Money collected will be used to ship food, clothing and medicine to areas of the world where children are in need.

The Lisbon churches are working together on this project, with each church assigned a special area to cover.

On Friday United Church Women of Lisbon and vicinity will take part in the nation-wide observance of World Community Day.

Mrs. William Loudon will be the guest speaker at the First Presbyterian Church at 2 p. m. Her subject is "Deepen the Channels to Peace".

The offering received on World Community Day this year will make possible a new women's project in Indonesia. These funds will help complete a center for nurses and provide training for village health workers at the Mar-

di Santosa Hospital in Surabaya.

**A HALLOWEEN PARTY.** sponsored by the Sunday School classes of St. Jacob's United Church of Christ, was held Saturday evening at the church.

Seventy-five masqueraders were present. Prizes were given for the best costumes in different categories. Mrs. Howard Wilhelm and Mrs. Kenneth Clapsadle had to unmask to reveal their identity.

Bethel 48, Job's Daughters, attended morning worship service at the First Presbyterian Church Sunday.

It is the custom for the group to attend the church of the honor queen on one Sunday. The queen this year is Miss Sandra North, daughter of Mr. and Mrs. George North of N. Jefferson St.

Mrs. William Baker is the advisor, and Hoyt Sexton is the associate.

Mr. and Mrs. Clyde Meehan of W. Washington St. will observe their 60th wedding anniversary Sunday.

An open reception at their home from 2 to 5 p. m. is being given by their children, Mr. and Mrs. Ewing Holloway of Leetonia, Mr. and Mrs. Ray Meehan of Columbiana and Mr. and Mrs. William Meehan of Butler, Pa.

**IN HONOR OF** Jimmy Hill's 10th birthday, his mother, Mrs. Richard Hill of Salem Road, entertained 10 boys at a party Saturday afternoon.

Games were played, with David Ward, David Thompson, Glen McMillan and Roger Brown, winning the prizes.

Lunch was served by the hostess. Jimmy received many gifts. Mrs. Reanna Hobart and daughters, Debra Lee and Vickie Jo of E. Washington St., spent the past weekend at Washington, D. C., and Benedict, Md. They were guests of Mr. and Mrs. Bud Bowen, managers of the Benedict Hotel. Mrs. Bowen is the former Anna Mary Shive of Lisbon. Miss Esther Stackhouse of Th-

## Two Drivers Deprived Of Licenses for Year

LISBON — Two Columbiana County motorists were deprived of their driver's licenses for one year under the state's 12-point demerit system after each was found to have been convicted on two drunk driving charges within a two-year period.

Common Pleas Judge Joel H. Sharp ordered the suspensions for William A. Copestick, 56, East Liverpool, and Wayne Dwaine Longanecker, 25, Washingtonville. Longanecker was allowed to apply for a restricted driver's license which would permit him to drive to and from work only.

Copestick was convicted June 6, 1961, and Sept. 21, 1962, and Longanecker Nov. 24, 1961, and Sept. 2, 1962.

## Hints From Heloise

By HELOISE CRUSE

Dear Heloise: Paper cups are excellent for storing food in your refrigerator. Then, if you forget the food for a few days, there is no little dish, cup or jar to wash. Just throw the paper cup away! This also prevents such things as applesauce glued on a bowl.

I used to wash my throw rugs every week. Now I only wash them one a month. Because every week I tumble them for 20 minutes in my dryer with air and heat. The same goes for my pillows, dollies, and couch throws. With the dust and grit removed, they certainly seem to last longer.

P. W. WEBB

DEAR HELOISE: For goodness sake, I do wish that some woman would tell us what to do with good, odd linen napkins which are left from our nice tablecloths!

In this day and age, we have been using paper napkins and now find all the tablecloths gone with-the-washings and oodles of napkins left. Can these be utilized? Sure would like some ideas.

MRS. O. O'DONALD

..Anyone ever found a way to utilize these pretty things? If to Heloise in care of The Salem News.

HELOISE

DEAR HELOISE: To help my boys know their own clothes, I sew a little piece of thread on the label of the garment, a different color of thread for each boy. Then I have no argument as to "whose clothes are whose."

READER

DEAR HELOISE: There is a little thingamabob in most of our bathroom wash basins! This is a little gadget that is about the size of a silver dollar that opens and closes the drain.

I was silly enough last week to call a plumber when our wash basin stopped up.

I would like to save other housewives the expense I incurred by telling them that most of the time when the wash basin is stopped up, it is caused from hairs which have gotten down into the drain itself.

All one has to do is open the drain, put your hand around this thingamabob, twist a little bit to the left, and pull the whole gadget out.

The plumber just cleaned it off and replaced the thingama-

bob in the bottom of the wash basin, and lo and behold the wash basin drained perfectly!

## Deaths Funerals

### Mrs. Thomas McPherson

Commitment services were held today at Grandview Cemetery for Mrs. Adda Ruth McPherson, 78, of Alhambra, Calif., a former Salem resident, who died of pneumonia Sept. 29 in California. Cremation was held in California.

Born in Salem, she was the daughter of Mr. and Mrs. Davis T. Ruth. Her husband, Thomas McPherson, preceded her in death.

She is survived by one son, Robert E. McPherson of Lakewood, Calif.

### Cobourn Funeral

Services for Albert G. Cobourn, 82, of 38 Callahan Road, Canfield, prominent Mahoning County farm leader who died Sunday in Salem City Hospital following a long illness, will be held at 1:30 p.m. Wednesday at the Arbaugh-Pearce Funeral Home, with Rev. Paul T. Gerrard, pastor of the Lisbon Presbyterian Church, officiating.

Friends may call at the funeral home today from 2 to 4 and 7 to 9 p.m.

(Continued From Page One)

whether the Russians yet are living up to Khrushchev's pledge to take down the missile bases menacing the United States.

Asst. Secretary of Defense Arthur Sylvester told reporters late Monday that all aircraft had returned safely from flights made during the day. Last Saturday a U.S. reconnaissance plane and its pilot were lost, presumably to Cuban anti-aircraft fire. The plane

apparently was a U2.

Asked whether the reconnaissance flights will continue until a U.N. team takes over to monitor missile-base dismantling, Sylvester said: "I wouldn't make any assumptions that they won't."

In related developments:

There was no move to reduce the apparent military buildup at Key West, but the atmosphere at that southernmost Florida city 90 miles from Cuba had eased noticeably.

The Venezuelan Interior Ministry said the dynamiting of key Venezuelan oil installations was part of a sabotage drive ordered from Cuba.

## Board to Assist Hospitalized to Cast Their Votes

Two assistant clerks of the county election board will visit hospitals and nursing homes in Columbiana County Wednesday and Thursday to supervise balloting by disabled electors, Frank R. O'Hanlon, clerk of the board, said today.

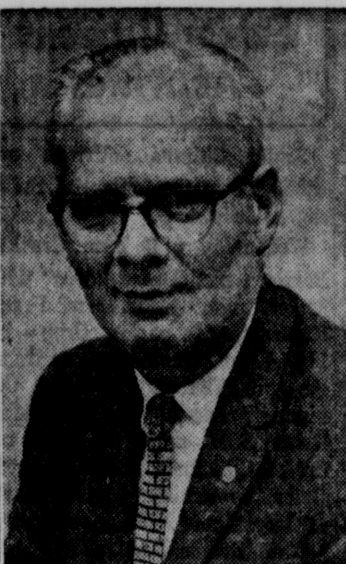

"State law provides the board shall take such action because no notary or any other person except an election board clerk or assistant may assist disabled voters," he said. "Any notary who does assist a voter is violating the law and is subject to prosecution."

The assistant clerks will be of opposite political parties, O'Hanlon said. The board has received applications for disabled voters' ballots from Salem hospitals. No applications have been filed yet from nursing homes in Salem or East Liverpool but the deadline does not fall until 4 p.m. Thursday.

The assistant clerks will deliver the ballots to persons who have applied for them and then supervise the voting, O'Hanlon said.

## Ohio Ruritans to Hold Convention On Saturday

Four hundred delegates and officers of 43 Ruritan clubs in Ohio are expected to attend the Ohio District convention Saturday at Marlinton High School, where the Washington Township club

will be host.

Principal speaker will be Robert F. Smith of Limestone, Tenn., immediate past president of Ruritan National, it is announced by James E. Baxter of RD 5, Salem, who is Ohio District governor.

Smith has been Tennessee District governor two years, chairman of the nominating committee of the national organization and served as first president of the Limestone club. He is president of a hardware firm in his home town.

Mr. Baxter, who is serving his second term as Ohio District governor, is a charter member of the Greenford Ruritan club, of which he was a director three years, and was district secretary-treasurer.

A graduate of Salem High School, he is employed at the Deming Division of the Crane Co. as supervisor of stores. He and his wife, the former Elsie Hunter, have four daughters.

During Baxter's two years as district governor, the Ohio District has grown from 29 Ruritan clubs to the present 43.

A new district governor and district secretary-treasurer will be elected at the afternoon business session. William Ferguson of RD 5, Salem, is now serving as district secretary-treasurer.

## Policemen Recover Stolen \$1,000 Check

CLEVELAND (AP) — A \$1,000 cashier's check stolen by two thugs from a 78-year-old East Side man was recovered minutes later through the teamwork of a bank guard and a traffic patrolman.

A 23-year-old East Side man was arrested Monday following the strong-arm theft at East 101st Street and Superior Avenue. His partner escaped.

Wilson Betts, 49, a guard at the Cleveland Trust Co. branch at East 105th Street and Superior Avenue, said Horace Brown came in the bank Monday afternoon and told a teller he wanted to withdraw \$1,000.

Betts, a friend of Brown, and the teller convinced the elderly man that he should take a cashier's check instead of cash as he had intended.

The bank guard said he watched Brown as he departed and saw two men follow him and then grab him and take the check. Betts hailed patrolman Lemon Long, a traffic officer, and together they gave chase in Long's car.

After 15 minutes of cruising they spotted the two thugs. Long grabbed the man with the check and Betts ran after the second man but lost him after firing two warning shots in the air.

officials.

Informed sources said Thant got President Kennedy's permission to convey to Castro the President's pledge not to invade Cuba. The United Nations announced there had been a new exchange between Thant and Kennedy but declined to disclose the contents. U.N. sources said Thant wanted his mission smoothed as much as possible by the removal of controversial irritants such as the arms blockade.

There was no indication in information released here that anyone had suggested to Thant that he ask the White House to remove the blockade.

One question being raised—whether the Soviet rocket technicians in Cuba will be sent home—presumably is among the matters presently in negotiation.

Thant is going at the invitation of Castro who a week ago loudly rejected the idea of any U.N. observers in Cuba. The Cuban leader apparently backed down after Khrushchev reversed the Soviet position on the missile bases.

Observers predicted that if Thant's mission is successful, the U.S. blockade would not be imposed again.

Accompanying Thant on his mission are Raul Primelles, deputy chief of Cuba's U.N. mission; Omar Loutfi of the United Arab Republic, a U.N. undersecretary for special political affairs, and Hernane Ravares de Sa of Brazil, undersecretary for public information.

Informed sources said Loutfi probably would remain in Cuba to get the inspection machinery in motion.

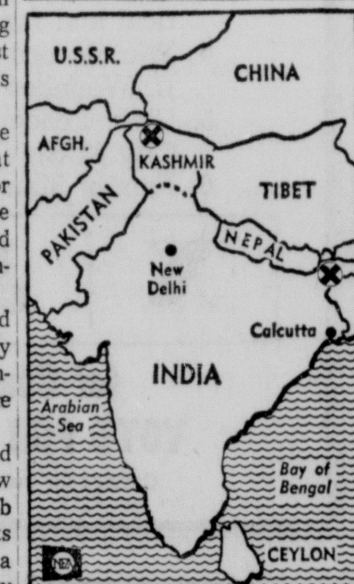

## Verdict Is Awaited In Burglary Trial

LISBON — A verdict is expected late today in the burglary trial of William L. Johnson, 30, of Campbell, indicted for burglary of J. & E. Record Shop in Columbiana March 16.

Testimony began Monday before Common Pleas Judge Joel H. Sharp.

Ronald D. Hathman of Campbell was found guilty last week by jury for same offense and requested probation. He testified Monday for the state.

The jury includes Olive Kress, Gladys Rose, Nevada Laitch and Blaine Barrett of East Liverpool; Margaret Graham, Genevieve C. Hill, Chester Mellinger and John Lucas of Salem; Harold Roberts of Columbiana; Freda Feldman of Salineville; Morris Armstrong of Lisbon and Patricia Woolf of Beloit. Edith Caudill of Salem is the alternate.

BATTLE ZONE — Renewed fighting has broken out between Indian and Chinese troops in India's Northeast Frontier Agency ("X" on right side of map). Each side disputes the other's boundary claims. Earlier this year, clashes were reported in the Ladakh area of Kashmir, also in dispute. China has occupied 12,000 square miles here.

## Traffic Safety Conference Held By County Youths

LISBON — "Driving is a full time job, but you are the most able, you're young and you have less trouble if you obey all the rules of the road," Judge Louis Tobin told 65 persons who attended the Columbiana County Youth Traffic Safety Conference Monday evening at McKinley School.

Representatives from Crestview, United, East Palestine, Lisbon, Columbiana and East Liverpool schools were present at last night's meeting, along with Patrolman Phil Wenner of the State Highway Patrol.

Officers elected were Juanita Duffield of East Liverpool, chairman; Ronald Knight of Crestview, vice-president; Janice Ulbrich of East Palestine, secretary, and Donald Baith of United, treasurer.

Don Harold of East Palestine spoke on the national youth traffic conference held Aug. 19 - 22 at Bowling Green University where he was a delegate.

Sam Estell of East Liverpool spoke on the Kent State University regional youths conference which is scheduled Dec. 1. Donald Knight was elected delegate to this conference.

C. D. Yount, district traffic safety supervisor, also spoke last night.

The theme, "Today's Drivers Tomorrow," was used throughout the conference and two discussion groups were held on "The Driver Who Gives Youths a Bad Name," and "What to Do About the Driver Who Occasionally Slips."

Mrs. Lynn Woods of Lisbon was mistress of ceremonies and the Rev. Paul T. Gerrard gave the invocation.

Rev. George E. Parkinson of the Trinity Presbyterian Church of Canton was the guest speaker on the topic, "Be Alive All Your Life."

Atty. Bettis, publicity chairman, spoke on the clinic fund drive. Nov. 4 was set as Mental Health Sunday. The campaign goal is \$20,000. If the goal is reached, the state will provide an additional \$40,000 toward establishment of a psychiatric clinic for Columbiana County residents.

Judge Tobin is the general chairman; Leland S. Firestone of Lisbon, treasurer; Bryce W. Kendall of Salem, captain of city and village teams, and Jack Pozenel, captain of rural area teams.

Rev. C. O. Armstrong of Trinity United Presbyterian Church of Lisbon gave the invocation. Rev.

Russell E. Mase of Emmanuel Presbyterian Church of East Liverpool gave the benediction.

"We must be very wary about any pact which will tie our hands in preventing the spread of communism to other countries in the Caribbean," he said.

Sen. Hugh Scott, R-Pa., said in a separate interview he interprets the Cuban developments as "a victory over Khrushchev, but not over Castro."

Sen. Barry Goldwater, R-Ariz., called on Kennedy to avoid any concession "which would have the effect of making Castro communism a permanent fixture in the Western Hemisphere."

He said that if the missile bases and other offensive weapons are removed, "such action would merely return us to the status quo that existed before the Soviet buildup began."

KHRUSHCHEV'S MAN IN CUBA ARRIVES — Vassily A. Kuznetsov, Soviet first deputy foreign minister and Premier Khrushchev's emissary on the Cuban situation, faces press on his arrival at New York's Idlewild Airport. Behind him at left is Valerian Zorin, Russian ambassador to the United Nations. His arrival took place less than 12 hours after Khrushchev's offer to withdraw missiles from Cuba. In a brief prepared statement read by an interpreter, he said "good will and a reasonable approach" can achieve peace.

## What Does A Boy Do When He's Not In School?

The job of bringing up a young teen-age boy isn't easy. One of the biggest problems is this: What can he do—when he's not in school—which will contribute most toward the achievement of the goals which you have set for him in later life? There are extra-curricular activities, of course. Some of these are worthwhile. But just how valuable are they in contributing to the overall education which he will need in order to become a useful, successful citizen?

Few activities contribute more significantly to a boy's development than his own newspaper business. The practical experiences gained by a newspaperboy directly supplement his school work. Moreover, he learns to be punctual, courteous, and friendly; he learns to manage time and money; he learns how to accept responsibility and develops qualities of leadership. # 'I'm Dickens... He's Fenster'

## Stars' Personalities Differ

By CYNTHIA LOWRY  
AP Television-Radio Writer.

NEW YORK (AP)—Actor John Astin's surprised look is becoming a fixture.

"It's just that after spending your whole life working alone, you suddenly discover that you're a Siamese twin," explained the first half of ABC's comedy series, "I'm Dickens... He's Fenster."

Astin is an actor (his first Broadway appearance was as an understudy in a revival of Shaw's "Major Barbara", whose talent for playing comedy was spotted by Tony Randall. His new partner in television is a comic, Marty Ingels, cut in the irrepressible pattern of Jerry Lewis, who gave him his first big break. Two more different personalities it would be hard to find.

Before the current season started, ABC was high on the series, touting it as a sleeper. Currently, the half-hour show is trailing considerably in audience popularity behind two formidable competitors—CBS' front-running "Route 66" and NBC's "Sing Along with

Mitch"—in the most recent Nielsen ratings.

Even so, Astin and Ingels are getting plenty of exposure to audiences, and people are beginning to stop them on the street for autographs.

Mobile-faced, nervous Ingels—who looks a bit like both Red Skelton and Danny Thomas and is always "on," sees the series as a springboard to stand-up comedy glory. Quiet, intense Astin, with his eye on Broadway and motion picture dramatic roles, feels differently.

"I'm glad to be in the series—even if it does nothing else, it will give me a chance to make a name for myself. And maybe open some new doors."

## The Doctor Says

By Dr. WAYNE G. BRANDSTADT  
Vaccines Protect Against Measles

If you are an adult you almost surely were exposed to measles as a child. This contact may have produced a life-long immunity.

Dr. Brandstadt

For a very few lucky ones, it may have produced an immunity without causing an attack of measles. For most healthy children, measles is an annoyance but recovery is complete.

Many parents regard measles as something to be gone through with little worry about the outcome. This attitude fails to take into account the very real dangers involved. Measles has been described as a cold with a rash. A cough, running nose, and inflammation of the whites of the eyes are usually the first symptoms. The rash does not appear until three or four days afterward.

The danger, always more serious in children under 2 and in those who are in a weakened condition lies in the complications that may develop. Pneumonia is the most common. This is serious enough, but most dangerous is encephalitis or brain fever. Less dangerous but by no means unimportant is infection of the middle ear with its threat of deafness.

In order to prevent these complications doctors used to give gamma globulin or serum from an immune adult to children who got measles. But now, with the development of measles vaccine, it will be possible to protect all children. As a matter of fact two kinds of vaccine have been produced from the measles virus and both have been found to stimulate the blood to produce protective antibodies.

In one, a live but weak virus is used so that the child who receives it actually has a mild at-

tack of the disease. This parallels the situation that occurs when smallpox vaccination is given. Because even with this weakened virus there is some danger of severe reactions, a small amount of gamma globulin is given simultaneously. The results with this combination have been excellent and the reactions on the whole have been less severe than those following ordinary smallpox vaccination.

The other vaccine consists of a killed measles virus. This sounds like a safer vaccine but the important question is whether or not it will give your child a lasting immunity.

Although the question of which vaccine is preferable has not yet been definitely decided, your doctor can be relied on to give your child a vaccine that will protect him against a disease the seriousness of which has been often underestimated.

It is no longer advisable to wait until measles strikes, and then try to modify it with gamma globulin. An effective vaccine is available and every child should be given its protection.

Salem Renews Ancient Rivalry With Potters Friday

Liverpool Leads In Series 24-20

Despite its poor showing this season, East Liverpool will probably be geared for Salem when the two rivals meet in the 47th annual clash at Reilly Stadium Friday night at 8.

The Potters, heading for one of the worst campaigns in the history of their school, have dropped three of their last four contests. Salem also has lost three of its last four games. The Quakers were unimpressive offensively last week, picking up only 81 yards rushing in an 18-6 loss to Boardman.

The Potters did no better, being held to 74 yards on the ground in a 14-6 loss to Bellaire St. John Friday.

IN THE SERIES dating back to 1911, East Liverpool holds a 24-20-2 edge. Last year Salem won at Pottertown 37-22.

East Liverpool has been beaten 32-0 by Niles, the top team in the Associated Press poll today, and by Steubenville, the No. 5 squad, 44-0. The Potters will finish up their campaign against Alliance Nov. 16.

Salem Coach Blaine Morton plans to make a few changes this week to bolster his defensive unit. He also plans to start George Bell at fullback.

Angels Get Bob Turley From Yanks

NEW YORK (AP) — Have the world champion New York Yankees entered the Bo Belinsky sweepstakes by shipping veteran pitcher Bob Turley to the Los Angeles Angels?

That was the first question that popped to mind in baseball circles Monday after the Yankees added fuel to the hot stove league fire by sending Turley — outstanding hurler in the majors four years ago — to the Angels on a conditional basis.

Yankees General Manager Roy Hamer said the Angels will give New York a mutually satisfactory player by opening day, 1963, if Los Angeles retains the 32-year-old right-hander.

Is Belinsky involved?

No, says Belinsky, reached at his Hollywood home, "I'd think they'd make a better deal."

No, says an Angel spokesman, "Bo Belinsky won't be in the deal."

Belinsky, a 25-year-old left-hander wound up his first season with the Angels in a considerable amount of hot water.

Turley, in the majors for 10 years, has had an up-and-down career since the Yankees acquired him from Baltimore in 1954 in a 17-player trade.

OSU Coach Says Armstrong Is Best Littlest Lineman Praised By Hayes

COLUMBUS, Ohio (AP) — Ohio State coach Woody Hayes has nothing but praise for Buckeye center Billy Joe Armstrong—the littlest lineman on Hayes' starting team.

"Billy Joe is the best all-around player on our squad," Hayes said at his weekly press luncheon Monday.

"He's the best I've had here in 12 years. He has been tops for four years in grades, attitude, behavior and playing ability. He's just as good on defense as on offense, and if any player is entitled to national recognition, Billy Joe is the one."

The 189-pound, 5-foot-11 senior from Huron has not missed many plays in three years. As a sophomore he played 249 minutes; as a junior he logged 232 minutes and

The Quakers cruised through their first four games unbeaten this season and it looked then like they might have the team to give the city an undefeated campaign for the first time since 1929.

But the hope expired when Marjetta handed the Mortonmen a 30-6 setback, which was then followed by a 52-13 shellacking by Akron Hoban.

THE POTTERS will be the eighth team this season to hold a big weight advantage against the Quakers. The two tackles on the rivertown squad tip the scales at 210 and 217, respectively.

Coach Bob Hedmond alternates eight men in his offensive backfield and only two of the regulars are seniors. The Potters start two juniors and five seniors on the forward wall.

Scott Musuraca, a 195-pound senior, is rated East Liverpool's best defensive player by the Salem coaching staff.

Against Steubenville Central, East Liverpool probably played its best game of the season. The Crusaders chalked up their third straight win at that time, but not before the Potters made a great effort to pull the upset of the season.

Steubenville Central had to go all out to trim the Potters 20-14. Probably Salem's finest hour this year was a thrilling 18-13 victory over Farrell, Pa., the fourth game of the campaign.

Defending state champion Niles trimmed the Night Riders 20-6 last Saturday.

Rollins Picked Sophomore Of '62 Season

NEW ORK (AP) — Richie Rollins spent so much time on the Minnesota Twins' bench in 1961 that he lost a chance to be picked the American League rookie of the year during the past season.

But the baseball savvy he gained with the Twins probably more than made up for any rookie honors and helped him get the 1962 sophomore of the year designation today, as selected by members of the Baseball Writers Association of America, voting in The Associated Press annual poll.

Rollins, who played in only 13 games during the 1961 season but was with Minnesota more than the maximum of 45 days required of rookie candidates, was the spark-plug of the surprising Twins' second place finish this year.

Rollins, in 159 games, wound up with a creditable .298 batting average. He hit 16 homers and drove in 96 runs. Only a batting slump during the final month of the season brought his average below .300.

this year he hasn't missed an offensive play and also has helped considerably on defense.

He was the 175-pound state high school wrestling champion and a fullback at Huron.

On Saturday's 14-7 victory over previously unbeaten Wisconsin, Hayes said the credit belonged to the Buckeye defense, Paul Warfield's speed which spread the Badger defense and the power of his three fullbacks.

**MSUs Saines Leads Big 10 In Scoring**

CHICAGO (AP)—Michigan State fullback George Saines of Canton, Ohio, shot ahead of teammate Sherm Lewis in the Big Ten all-games football scoring race this week after his three touchdown spurt against Indiana.

Saines took the lead with eight touchdowns for a total of 48 points.

Toledo Central Jumps From 5th To 2nd Niles Takes Over No. 1 Place In AP Poll, Warren Is 3rd

By FRITZ HOWELL

Associated Press Sports Writer

COLUMBUS, Ohio (AP) — Niles McKinley's defending champions, with a king-size assist from Toledo Devilbiss, took over the top spot today in the weekly Associated Press high school football poll.

Coach Dave Hardy's Devilbiss team knocked Alliance's 1958 scholastic kings out of the lead—and all the way out of the way out of the top ten—with a resounding 28-8 victory. It was the second loss for the Aviators, who dropped the opener to Lima Senior.

Devilbiss, the week's hero of the high school fields, has been beaten once in seven starts. It was a 36-20 decision to Toledo Central, in which Devilbiss led at one point by 20-6.

Niles ran its unbeaten streak to 35 with a 20-6 win over Farrell, Pa., although outweighed about 35 pounds per man and minus the services of red-hot halfback Robert (Bo) Rein.

A corps of 54 sports writers, voting in the weekly poll, rewarded Devilbiss by hoisting the Tigers from nowhere to eighth place.

Warren Harding clung to third, but there were several other changes. Lorain Admiral King moved from sixth to fourth, trading spots with Sandusky, while Steubenville rose from eighth to fifth. Middletown stayed in the seventh spot and Cincinnati Roger Bacon 10th, but Springfield South fell out of the elite list as Circleville's 13-game winners took over ninth.

From here and there: Irony of Alliance's loss to Devilbiss was the fact the Aviators scheduled the contest as a fill-in for their date with Canton McKinley—which isn't playing this year due to suspension by the State High School Athletic Association. Two playful voters, however, gave the suspended Bulldogs a total of four points in today's poll.

The Eastern Ohio teams haven't had too much luck against Western foes this season—and Friday Steubenville (5th) goes against Toledo Central Catholic (2nd).

Massillon's nine-time state champions and the Little Giants of Fremont Ross, who upset the Tigers in the opener, are now tied far down in the poll with nine points. Massillon lost its fourth last week to Warren Harding, 20-7, while Fremont was a 24-16 victim of fourth-ranked Lorain Admiral King.

Little Beaver Creek made it seven straight after an opening loss by defeating Dayton Chaminade 22-21—first time in 23 years the latter has dropped four in a row. Four Dayton schools—Roth, Colonel White, Dunbar and Roosevelt—are in a 4-1 tie for the city title.

Mansfield Madison scored with one second to go to beat Wooster 22-14. Fredericktown has scored 162 points in the last three games. Bellville made it 21 in a row by beating Columbus Brookhaven 18-0. It's Brookhaven's first grid year, and there's no school—the students attend Linden McKinley.

Admiral King's 200-pound fullback, Joe Kozar, was the difference against Fremont Ross. He gained 176 yards in 27 carries and scored once. Ross coach Mackey said, "He killed us." Ad-

miral King faces sixth-rated Sandusky Nov. 11.

Miami Trace's Bill Hall scored all 14 points in the win over Hillsboro, one touchdown coming on a 94-yard run. Teays Valley, in its first football year, wrecked Greenview 49-6. Middletown's Paul Walker, son of the famed basketball coach, tossed three touchdown passes in the 28-6 win over Hamilton Taft, giving him 20 for the campaign.

Greenfield had a minus-five yardage for the first three periods in losing to Circleville. Tommy Beier of Fremont St. Joseph has tallied 21 touchdowns this year — 133 points—and the team has allowed only 22. Five Sandusky Bay Conference foes have been blanked by St. Joseph, which has an 8-0 mark.

Jimmy Foxx, son of the former major league batting star, threw three touchdown passes as Lakewood nipped Cleveland Shaw 18-16 for its seventh straight win.

Steubenville's Harry Wilson, 1961 All-Ohio, scored four touchdowns and ran 148 yards in 27 tries in the 34-8 win over Martins Ferry. For the year he has 21 touchdowns, 144 points and 1,232 yards rushing.

Dayton Colonel White's eight-game win streak was stopped by Dayton Dunbar, 26-20. Dayton Chaminade, loser of four straight football games, resumed cross-country running after 30 years and won the district meet last weekend.

COLUMBUS, Ohio (AP) — How 54 sports editors, 32 from newspapers and 22 from radio-TV stations, rate Ohio's high school football teams this week.

Shown are the first-place votes in parentheses, the poll points on a 10-9-8-etc. basis and the scoring records of the leaders.

Ninowski Lost To Squad For Campaign 5-Year Veteran Ryan Will Guide Browns Rest Of Way

CLEVELAND (AP) — Quarterback Frank Ryan, a five-year veteran of the National Football League who has spent most of his time watching from the bench, will carry Cleveland's passing load now that the Browns have lost No. 1 signal-caller Jim Ninowski for the rest of the season.

"It gives me a good feeling to have the responsibility, although I'm sorry I had to get it through an injury to Jim," Ryan said.

Ninowski was hurt Sunday in the second period against Pittsburgh and Ryan came on to lead the Browns to a 41-14 triumph over the Steelers that left Cleveland with a 4-3 record and still shooting for the Eastern Conference title.

"I wasn't nervous when I went in there Sunday, but it took a little time to get adjusted. I made some mistakes, but they are thin that can be ironed out. Just one workout should take care of a lot of them."

Ninowski was placed on the injured list Monday after X rays confirmed that he had suffered a dislocated left shoulder and fractured collarbone.

Rookie passer John Furman, former Texas Western star, was obtained from the Minnesota Vikings Monday as an understudy to Ryan.

The left-handed Furman, tested by the Browns last summer and then let go, hasn't been on the Vikings' regular roster but was retained as an extra player. He will rejoin the Browns Wednesday.

He is to be with the Browns only for the remainder of the season. He already has signed a contract with the Vikings for 1963 and plans another tryout with them.

The Browns had counted heavily on Ninowski—obtained in the controversial trade that sent Milt Plum to the Detroit Lions—in their hope for an NFL title. He led the team to five straight exhibition victories but was hampered by a knee injury in the early part of the regular season.

Ernie Davis, Syracuse halfback who won All-America honors and the Heisman Trophy last year, was another player on whom the Browns had placed their hopes, but he was sidelined by leukemia before the season started.

Wildcats Chosen No. 1 In AP Poll

By The Associated Press

Northwestern's Wildcats, current favorites to win the Big Ten championship, went into first place today in the national college football rankings.

Northwestern crushed Notre Dame 35-6 Saturday for its fifth straight victory and climbed past Alabama and Southern California in the weekly poll by The Associated Press.

The Wildcats' prime objective is a Big Ten title—they haven't won in 26 years. Northwestern, however, must get by Indiana, Wisconsin and Michigan State on successive Saturdays to reach the goal.

Texas, the top team the last two weeks, dropped to fifth after being tied by Rice, 14-14. Alabama, the defending national champion, held second place following a 35-6 triumph over Tulsa.

The special panel of sports writers and broadcasters gave Northwestern 34 of the 52 first place votes cast.

The top ten teams, with first place votes in parentheses, points on a 10-9-8, etc., bases:

Archie Moore Meets Clay Same Night

Middleweight Title Fight Is Postponed Till Nov. 15

BOSTON (AP) — A heavy cold suffered by challenger Jose Torres wrote a new chapter today in the tortuous trial of title defenses by partial middleweight champion Paul Pender.

Pender, who was to risk his version of the 160-pound crown this Friday night at Boston Garden against the unbeaten Puerto Rican, now must wait until Nov. 15.

The latter is the date set by promoter Sam Silverman Monday after a series of secret conferences with both camps.

While Torres' cold was the official reason given for the postponement, Silverman revealed another. On Nov. 15, the Pender-Torres fight scheduled at 9 p.m. EST will be followed by a closed-circuit showing of the Archie Moore-Cassius Clay heavyweight bout in Los Angeles.

By such a combination the promoter hopes to gain a bigger box office for a fight which lost some of its luster after the Dick Tiger-Gene Fullmer brawl in which the former won the title recognized in 50 states.

Pender, 31, recognized as champ in Massachusetts, New York and Europe, reluctantly agreed to the delay. He closed

Two teams in the American League hit more home runs than Detroit last season in series with the Tigers. The Yankees hit 17 homers to the Tigers' 14 and the Angels hit 18 to the Tigers' 17.

LEGAL NOTICE

NOTICE OF ELECTION ON ISSUE OF BONDS FOR WEST BRANCH LOCAL SCHOOL DISTRICT

Notice is hereby given that in pursuance of resolutions of the Board of Education of the West Branch Local School District, passed on the 19th day of June, 1962, and the 10th day of July, 1962, there will be submitted to a vote of the electors of said School District at the regular election to be held thereon on Tuesday, November 6, 1962, at the regular places of voting therein, the question of issuing bonds of said Board of Education in the amount of Three Hundred Ten Thousand Dollars (\$310,000) for the purpose of constructing a gymnasium-auditorium to the new West Branch High School; furnishing and equipping the new West Branch High School, landscaping and otherwise improving school site.

The maximum number of years during which said bonds are to run is fifteen (15) years. The estimated average additional tax rate outside of the ten mill limitation as certified by the County Auditor is 1.1340 mills for each one dollar valuation, which amounts to 11.34 cents for each one hundred dollars of valuation. The polls for said election will be open at 6:30 a.m., Eastern Standard Time, and remain open until 6:30 p.m., Eastern Standard Time, of said day.

down his North Falmouth, Mass., training camp, returned to his Brookline home and announced he'll do the rest of his work in the Boston area.

Postponement is the word Pender knows best. He has lost four dates with Fullmer, three of which had been set to clear up the

title picture. Fullmer just didn't show in Boston for a fight before either reached the champion level.

Three times in his series with Terry Downes and twice against Sugar Ray Robinson, Pender marked time during delays of announced dates.

OUT OUR WAY

OUR BOARDING HOUSE

A word from **THERON** at the Country Store

I had a two page spread in October NARGUS magazine, the largest circulated grocery magazine. It was a story on us getting rid of trading stamps. I got letters from grocers as far away as Georgia congratulating me on my stand on stamps. The many articles we get in these trade magazines perhaps do not get us many new customers but they do help us become better known in the grocery trade.

We get very good cooperation from our suppliers, they never know when their product will appear in one of the pictures in these magazines.

QUESTIONS AND ANSWERS

Q-What is the meaning of the phrase, "To cross the Rubicon?"  
A-To take a daring step from which there is no return.  
Q-What term denotes fear of the number 13?  
A-Triskaidekaphobia.  
Q-Why was Ten Sleep, Wyo., so named?  
A-Indians often reckoned time and distance in "sleeps." This midway point in Wyoming became known as Ten Sleep.

## Church In Columbiana To Mark 10th Anniversary

COLUMBIANA—Jerusalem Lutheran Church of Columbiana will be the scene this weekend of the 10th anniversary celebration of services in the building.

Pastor Paul N. Varner of Washington, D.C., will be special guest and will play an important role in the festivities of the "Partnership in the Gospel" program now being exercised within the church.

Members of the congregation will hold a dinner at 6:30 Saturday at South Side School catered by the Parent-Teacher Organization. Pastor Varner will begin the festivities with a speech at this time.

He will also present the sermon and conduct a special dedication ceremony Sunday.

A native of Newark, he is married to the former Gwen F. Foster and the father of three children. He has served pastorates in Junction City, Zanesville, Cincinnati and Logan and has been active in community and charitable services.

At present, Pastor Varner is the regional director for stewardship in the Ohio-Eastern regional office of The American Lutheran Church located in Washington, D.C.

Pastor Paul N. Varner

## Program of Physical Fitness Starts Tonight In Columbiana

COLUMBIANA—The first meeting for all women interested in the physical fitness program sponsored by the Columbiana Business and Professional Women will be held at 7:30 tonight at South Side School.

Meetings will be held once a month and each session will last about two hours. Activities will include volleyball, basketball and exercises.

Registration will be held at tonight's meeting and there will be a slight charge. Slacks or shorts should be worn.

Police Chief William McGuckin asks that parents be sure that their children make their "trick or treat" rounds Wednesday night only.

Members of Senior Girl Scout Troop 7 will canvass for UNICEF tomorrow from 6 to 7:15 p.m.

First Presbyterian Church will hold a bazaar with home baked goods Nov. 9 beginning at 11 a.m. A luncheon will be served at noon and a chicken and biscuit dinner will be held at night.

Mr. and Mrs. Byron Snyder called on the Steve Antonoffs in North Lima Saturday.

Mrs. Margaret Douglas visited with relatives and friends last week in Enon Valley, Pa.

Mrs. Wilmer Yarian is expected home today from Salem City Hospital after a week's stay following surgery.

Mr. and Mrs. L. B. Hively attended the installation services for their daughter, Miss Beverly Bock, who was inducted Sunday as parish worker-secretary at the Salem Lutheran Church in Dayton.

Mr. and Mrs. Anthony Covert and family visited friends and relatives in Salem Sunday afternoon.

The committee in charge of the event was comprised of Mr. and Mrs. Alex Costa, chairman, Mr. and Mrs. Norman Weingart, Mr. and Mrs. Vernon Weingart and Mr. and Mrs. William Martin.

A fish supper will be held at Goshen Grange Hall Nov. 10 from 5 to 8 p.m.

## ON 'SUCKER' LIST

AKRON, Ohio (AP)—Ohio has been on the sucker list of fraudulent business operations, Robert E. Sweeney, Democratic candidate for attorney general, said here Monday night. Stressing a need for stringent laws to provide buyer protection, Sweeney said Ohio has been backward and lax in adopting legislation to protect the consumer.
